Hello,

I am sorry. But I think that I would reject this. Simply telling them that 'I don't condone child abuse and posting this would make people think that I did.' It is perfectly legal to spank a child on the bottom with nothing more than your hand without marks left and with very good reason. I have the Wapakoneta freecycle group (in Ohio) and if it were me I WOULD reject it. I really don't know what else to say except maybe that the person wanting to post that needs some serious counseling.

Thanks, Rhonda (Mod)

Oh, I dunno. I'd be tempted to offer to give them a short and highly personal demonstration of how many improvised paddles can be found all around them and how effective they are when wielded by a 250-lb man (me!) upon their derrieres...only because their thick heads are off limits for clubbing!
